

Basic and Advanced Erosion and Sediment Control Practices

Nov 2nd, 8:00 a.m. to 4:30 p.m. Masonic Hall - Rtes 2 & 27 in New Sharon

Become certified through this training session and/or get 7 Shoreland zoning credits

Be ready to comply with legislation regulating soil disturbance work within 250 feet of waterbodies that takes effect Jan. 1, 2013. Benefits provided by the program once you become certified include: discounts on erosion control products, accelerated permitting, and free advertising. Learn about new state of the art erosion control techniques as well as ways to save time and money on your construction projects. Presenter Bill LaFlamme, Maine DEP.

\$70 early registration - by Oct 15th

\$75 October 16 - 31st
