

Be Prepared For This Year's Hunting Season GPS With Mapping Training Session

8 a.m. – 12p.m. October 27th at the USDA Service Center 107 Park St Farmington.

Learn how to use your GPS unit to find your way through the woods, map your property, lay out a trail, and more. Find out what a away-point is, how long the unit needs to be on to get a true reading so you don't get lost. Presenter Patty Cormier, Maine Forest Service.

Send checks made out to FCSWCD and mail to 107 Park St Farmington ME 04938. Include:
