

For immediate release

Great Deal on Brook Trout  
Get Up To 15% off

Hurry and place your trout orders to reap the savings through Franklin County Soil & Water Conservation District's (FCSWCD) spring trout restocking program. Orders received by March 31<sup>st</sup> will have discounts of up to 9% taken off. In addition, all orders of \$250 or more will receive another 5% off the trout order. Sorry, but there is no discount on the oxygen bags. A minimum order of 34 brook trout must be placed. The hatchery has both 5"-6" and 6"-7" brook trout available for a May delivery.

Also being offered are rainbow trout. The Rainbows will be offered in sizes from 4"-5" through 7"-8". Larger trout may be available upon request. This hatchery requires a minimum order of \$50 with no discounts at this time.

Your order form and a copy of your stocking permit must be sent to Franklin County SWCD at 107 Park St, Farmington ME 04938 along with the check or money order to reserve your trout.

By request, we also sell gallon bottles of "Clear Pond" to eliminate and keep algae out of your pond, as well as 44# bags of fresh fish pellets. Call for prices and availability.

Exciting news: If you have always wanted to build a pond, but need information to get you started or you have a pond that needs maintenance, we have just the thing for you. On March 10<sup>th</sup> at 9 a.m., FCSWCD is offering a Pond Construction and Maintenance seminar in our Park Street conference room. Experts from the USDA Natural Resources Conservation Service and Maine Inland Fisheries and Wildlife will present ideas, provide handouts and answer your questions. For a registration form call 778-4279, stop by our office or go to [www.franklincswcd.org](http://www.franklincswcd.org).
